The (un)Natural Mom Pledge

*I will remember that you are a planting of God - different from me
in root and fruit*

*I will remember that I've often needed someone just like you and
that you may someday call on me*

*I will pray you through your winter seasons without judging your
bare branches*

*I will trust God with you even when neither of us can see a single
sign of the promise*

*I will stand up for you when the enemy hurls accusation and
shame at you*

*I will not try to overshadow you, but rather to add my shade to
yours*

*I will make a garden of grace with you where every unnatural mom
can feel natural and every child can be safe*
